*Copy of letter.-

With reference to the above, I wish to state that due to circumstances beyond my control, I have not been able to join for the training in the Venereal Department of the General Hospital. For a further period of six months at least, I am not in a position to take up the training.

In this connection, I wish to point out that I have been practising in this place, for the past fifteen years during which period, I have had sufficient practice on the Venereal side. Moreover, I have already had two months' training in the Venereal Department. In view of all this, I request, I may be allowed to work in the post that has been given to me. I request, orders may kindly be issued early on these lines.
